Description

Part of a limited offering in Hayes Estates, Lot 4 features 1.77 acres of well-shaped land with excellent buildability in a prime Johnson City setting. The property opens to a spacious, flat backyard--perfect for creating a true outdoor retreat--while a creek along the rear provides a peaceful and scenic boundary. The natural layout of the lot is conducive to a home design that could allow for a daylight basement.

Lots offering this kind of usable land, privacy, and setting within Johnson City are becoming increasingly hard to find,

making this a unique opportunity in a highly desirable area. Thoughtfully designed protective covenants help maintain the integrity of Hayes Estates, without the presence of an HOA. Owner/Agent
