Description

179 Jane Lane | Bristol, Virginia A Little History. A Lot of Possibility. There's something special about a home that's been cared for by the same owner for more than 23 years. Built in 1964, this classic brick ranch is ready for its next chapter. Offering 3 bedrooms, 1 full bath, and 1,080 square feet of single-level living, this home has features that never go out of style: hardwood floors, a handsome stone fireplace, and the lasting appeal of brick construction. The traditional floor plan offers comfortable living spaces, while central heating and air conditioning, an attached carport, and a patio add everyday convenience. Step into the backyard and you'll discover another pleasant surprise: a spacious barn-style storage building with double doors and an access ramp, ideal for lawn equipment, tools, hobbies, or extra storage. A grassy yard with a backdrop of mature trees completes the setting. Yes, the home could use some updating, particularly in the bathroom. But that's also where the opportunity begins. Bring your ideas, choose your finishes, and make this home your own. Whether you're purchasing your first home, looking for the convenience of one-level living, or searching for a property with potential, 179 Jane Lane is worth a closer look. A solid beginning.
