Renovated and move-in ready!
This beautifully renovated manufactured home features a bright and inviting atmosphere with a spacious layout that makes it a dream come true for almost anyone.

New LVP flooring runs throughout the home, giving every space a warm and welcoming feel. Light fixtures have also been updated in every room, adding to the contemporary style.

The generous living room is cozy enough to enjoy every day and large enough to host special occasions with family and friends, with a fireplace to add to the ambiance.

The eat-in kitchen is quite the showcase, featuring updates like new stainless-steel appliances, new lighting and fixtures, a modern subway tile backsplash, new cabinets and countertops, and a convenient pantry.

The primary suite includes a large bathroom and walk-in closet, and two additional bedrooms at the opposite side of the home share another full bath.

Both bathrooms have been completely renovated and feature modern fixtures and finishes.

A spacious deck at the back of the home overlooks the rear of the property and gives you a great outdoor space for gatherings and relaxation.

A detached two-car garage with electricity gives you valuable space for parking and storage, and even a workshop/hobby space if you like; and the metal roof provides long-lasting durability for years to come.
