Description

Convenience, character, and comfortable living come together in this well-kept, move-in-ready single-level home, ideally located just minutes from shopping, restaurants, entertainment, and everyday amenities. A welcoming covered front porch offers the perfect spot to enjoy your morning coffee or unwind at the end of the day.

Inside, you'll find 3 bedrooms, 1.5 baths, and an open-concept layout that creates an easy flow between the living spaces. Original hardwood flooring adds timeless warmth and character throughout the home.

Adding even more versatility is a bonus space that could serve as a home office, playroom, hobby room, sitting area, or whatever best fits your needs. Just off this space is a large walk-in closet/laundry room, providing convenient laundry access along with plenty of additional storage.

Numerous updates have been completed throughout the home, including fresh interior and exterior paint, a new metal security front door, and freshly painted kitchen cabinets with new hinges and knobs. Additional improvements include new doors throughout most of the home, new medicine cabinets, new hallway and laundry room light fixtures, and new blinds throughout. Electrical outlets and switches have been updated or replaced, the water heater has new heating elements, and a new water filtration system serves both the kitchen sink and ice maker.

The oversized back deck extends the living space outdoors, offering plenty of room for comfortable seating, an outdoor dining area, grilling, and gathering with family and friends. The fenced backyard offers additional space for kids and pets to play, gardening, and outdoor activities. A storage room located just off the carport provides convenient space for tools, lawn equipment, seasonal items, and other storage needs.

Whether you're a first-time buyer, looking to downsize, or simply searching for the convenience of one-level living, this home offers a great combination of character, practical living space, thoughtful updates, and a convenient location.
