Description

Enjoy being set apart at Williamsburg on Oakland with your own 2 car tandem garage, amazing storage space and low maintenance living. The HOA takes care of landscaping, outside maintenance, a pavilion with grill, salt water swimming pool, trash pick up and the security gates. Fresh paint, new HVAC and new dishwasher and microwave are a few of the perks of unit F60. All of the beautiful cherry kitchen cabinets have new shelving. If you are an outdoor person, you will love time spent on the the screened in back porch. Upstairs you will find three large bedrooms and two full bathrooms. Off of the primary master bedroom is a walk up attic space. The lower level is where the home really adds space and convenience. Washer and dryer connections are located in primary bathroom upstairs, or an additional one in the lower level. The lower level also has a media room, plus another room that could be used as an office, workout room or even another bedroom. Walk out access is available before you walk into the garage. The garage not only holds 2 cars in tandem but has kitchen cabinets that line the wall with spacious countertops ready for additional storage or crafting. This home has been thoughtfully updated and ready for it's new owner.
