Description

This outstanding commercial property features two buildings encompassing five individual business addresses, all with tenants currently in place. The spaces are utilized as professional medical offices and retail, offering a diverse and stable income stream. Four of the five units were completely renovated and professionally built out in 2018-2019. The remaining unit has been substantially improved with a new roof and new electrical service completed in 2024-2025. The property offers approximately 300 feet of road frontage, providing excellent visibility and convenient access. Situated on a generous 1.74-acre parcel, it includes ample on-site parking to support current and future uses. With its strong tenancy, recent upgrades, and prime location, this property presents nearly limitless potential and represents a long-term investment opportunity poised to deliver solid returns for years to come.
