The Sellers finished work on the new road that will access the properties. The new road can now be used to access these two parcels. The new road off of Anglers Way Rd. can be seen in one of the new photos. The Sellers are also offering at an additional cost 2 +/- acres at the back of the 2 parcels being sold if the Buyer(s) would be interested in purchasing those as well. The area where the new road comes onto the property should be well out of any flood areas and may be a great

area for a buyer to place a new home or an R/V for a weekend getaway. Properties are being sold as-is. 4wd is a must, you could also use a side-by-side or 4-wheeler to access the properties.
