Description

If you've been looking for a place with room to spread out and enjoy a quieter pace of life, this one is worth a look! This spacious doublewide offers 1,944 sq. ft. with 4 bedrooms and 2 bathrooms, giving you plenty of space for family, guests,

or even a home office. The hall bathroom has already seen some nice updates, including double sinks, fresh paint, new flooring, and an improved shower--one less thing for you to worry about. The home sits on 1.28 +/- acres, so there's plenty of space for gardening, animals, or just enjoying the outdoors. If you've ever wanted a small homestead setup, you're off to a great start with rabbit cages and a large double outbuilding with electricity already in place. The location is a big bonus here--you're just a short distance from the Jefferson National Forest, making it easy to enjoy nature whenever you like. Spend your summers cooling off in the above-ground pool, plant a big garden for fresh veggies, and wind down in the evenings on the covered front porch. It's the perfect spot to take in the peaceful surroundings and watch deer pass by. If country living with a little extra space and privacy sounds like what you've been wanting, this place could be just the right fit. Come see it for yourself!
