Description

Lots #99-106 offer approximately 1.1 acres of scenic land with stunning mountain views, providing the perfect setting to build your dream home. This partially wooded property sits just outside the town limits, giving you the peace of country living while still being conveniently close to all that the town of Lebanon has to offer. The land is restricted to single wide or double wide homes, allowing only site built homes while creating a neat and uniform neighborhood feel. With public water available and plenty of space to make it your own, this property is an ideal choice for anyone looking to enjoy mountain views and small-town convenience. Although there is a subdivision plat, a survey is recommended. Contact the listing agent for more details.
