Description

Residential/Investment property with the versatility of a lower level commercial garage. Opportunity awaits with this solid block building featuring a 2-bedroom, 1-bath apartment on the upper level. The residence has updated electrical and is separately metered from the lower level, making it ideal for live-work or rental scenarios. The lower level includes two spacious garage bays, each with its own large rear storage room featuring gravel flooring—perfect for workshop, storage, or light industrial use. Situated on a 0.5-acre lot, the property also offers secondary water and sewer hookups, adding flexibility for future expansion. The building is located on a busy highway for optimal visibility. A great investment opportunity with mixed-use potential in a growing area. Personal items from garage bays have been removed--new photos. Priced below tax assessment. Buyers and buyers agents to verify the information contained in this listing. Subject to Errors & Omissions.
