397 Jennings Lane -- Luxury Mountain Living in East Tennessee

Welcome to 397 Jennings Lane, where timeless craftsmanship, refined rustic elegance, and the beauty of East

Tennessee come together in an extraordinary private retreat.

Set against the peaceful backdrop of the Greene County countryside, this exceptional custom-built log home offers a rare opportunity to own 8.81 acres of privacy and natural beauty while enjoying the comfort and sophistication of a thoughtfully designed residence.

From the moment you arrive, the craftsmanship is unmistakable. Custom-milled logs, handcrafted finishes, and beautiful woodwork--crafted from trees harvested from the property--give this home a character and warmth that simply cannot be replicated. The expansive front porch invites you to slow down, take in the surrounding scenery, and enjoy the peaceful lifestyle this property provides.

Inside, the open-concept design creates an inviting flow between the living, dining, and kitchen areas, making the home equally suited for intimate evenings or entertaining family and friends. Soaring natural wood details and carefully crafted finishes create an atmosphere that feels both luxurious and authentically connected to its surroundings.

The main-level primary suite provides a private retreat, while additional bedrooms offer comfortable accommodations for family and guests. A versatile bonus room can easily serve as a private office, study, nursery, or additional sleeping space--giving the next owner the flexibility to make the home uniquely their own.

Downstairs, the partially framed walk-out basement presents an exciting opportunity for additional finished living, recreation, hobby, or entertainment space. A spacious drive-under garage provides exceptional storage and parking capacity, bringing the total garage offering to approximately four vehicles.

Outside, the true luxury is the land itself. With nearly nine acres surrounding the home, there is room to create the lifestyle you've always envisioned--whether that means gardening, entertaining, exploring, enjoying quiet mornings, or simply having the space and privacy that are increasingly difficult to find.

397 Jennings Lane isn't simply a home--it is an East Tennessee lifestyle.
