Description

Welcome home to this storybook sweet 2bed 1bath home tucked inside the sidewalk lined neighborhoods in the heart of the city.
The cheerful eat in kitchen steals the show with plenty of countertop space, a touch door refrigerator, ceramic coated

convection oven, and a big sun splashed sink window that makes everyday moments sparkle. Separate laundry, office, or pantry room off the kitchen with new washer and dryer stack included.
Fresh paint and easy care vinyl floors set a breezy tone. Original hardwood floors under the current flooring of the living room and hallway.
Plantation blinds throughout for that timeless charm. Step outside to a covered pergola patio perfect for morning coffee or evening twinkle lights, with a darling fairy or herb and vegetable garden waiting to be enjoyed.
Gas heat keeps things cozy, a carport adds convenience, and the detached wired outbuilding is ready for hobbies, storage, or creative escapes.
Owners installed a new sump pump and new crawlspace insulation and HVAC ducts in the living room and front bedroom.

Minutes from schools, shopping, restaurants, major medical care, community events, and the area's legendary rivers, Watauga Lake, and national forestry lands. Your country mountain life in the burbs is calling!
