Description

Introducing Brickyard Village -- Kingsport's Most Exciting New Community! Take advantage of a $20,000 credit to the first five buyers for design upgrades or a mortgage rate buy-down.

Welcome to 2062 Brickyard Park Drive, featuring a thoughtfully designed Dogwood Plan on Lot 28, a 2,488 sq ft home that perfectly blends modern style, functionality, and community-centered living.

Brickyard Village is a master planned community designed for 50 acres in the heart of Kingsport, transforming the former General Shale site into a vibrant destination. The future development plans include a mix of single-family homes, townhomes, apartments, and retail spaces, with amenities designed to bring neighbors together. Planned amenities include a clubhouse, pool, fitness center, walking trails, playground, dog park, pocket park, and a pond with water features.

The neighborhood will be connected directly to downtown via a planned ADA-accessible pedestrian bridge over the CSX tracks and sits beside Brickyard Park, home to sports fields, a skatepark, and Pump Track, as well as the future 43-acre Cement Hill Park, offering trails, scenic overlooks, public art, and space for concerts.
