Description

This well-equipped automotive shop is situated on 0.72 acres in Erwin, Tennessee and offers approximately 3,200 square feet of shop space, plus an additional 1,200-square-foot basement pit area. The building features a bay with an oil change pit and a 12' x 14' overhead door, accommodating most commercial vehicles. Two additional bays include 12' x 12' overhead doors, one of which is equipped with an 11,000-lb two-post direct-drive lift, along with a fourth bay featuring a 10' x 10' door.

The property includes ample room for tools and storage, a storage loft, a customer waiting area, a private office, and two restrooms. The shop area is heated by a CleanBurn recovered oil heater, while the office, restrooms, and waiting area are serviced by a heat pump HVAC system. Compressed air is available throughout the shop. Additional equipment includes a wall-mounted strut spring compressor, hydraulic hose-making equipment, and bulk oil storage tanks with pumps.

The spacious lot offers plenty of customer parking. All equipment necessary to operate an oil change business is included, making this a turnkey opportunity for automotive service operations.
