Description

Operating business For Sale - dba Quality Plastic Products, This long established family business is now for sale and includes 2.50 acres newly surveyed. The property includes a 12,500 SF building with 2500 SF of office space and 10,000 SF of manufacturing space. Property and business must be sold together. Also available on the adjacent lot B & N Precision Tool & Die. Quality Plastic Products includes both the plastic extrusion business and the former Tool & Die equipment and business capability. These two family owned businesses operate on a combined customer base and compliment each other. The current business is staffed with experienced employees and has been a successful business for many years. Within the business all machinery, equipment and inventory is included together with the real estate.
