Description

Welcome to this solidly built ranch home tucked away on a quiet, off-street setting in the heart of Greeneville--just minutes from shopping, the hospital, and local schools.

This well-designed home offers 3 bedrooms and 2 full baths on the main level, featuring a desirable split-bedroom layout for added privacy. Beautiful hardwood floors run throughout the living areas and bedrooms, while the kitchen boasts updated hardwood cabinetry with exceptional storage.

The lower level opens the door to incredible flexibility, with potential for a private studio apartment complete with its own entrance. With two separate staircases connecting the levels, the space can easily accommodate multi-generational living while still allowing convenient access to the main floor. Prefer more separation? A portion of the basement can be reserved for storage while maintaining privacy for the studio area. This space hosts the 3rd full bath.

Step outside and unwind on the enclosed sun porch overlooking a charming terraced garden--perfect for relaxing or entertaining. The property also offers the convenience of a shared drive on the west side and a newer concrete driveway on the east. The City of Greeneville has recently redone water/sewer lines on this street. Don't miss the opportunity to own this versatile, well-located home with so much to offer!
