Description

Country living meets convenience. Situated on approximately 2 acres, this 3-bedroom, 1-bath home offers peaceful surroundings while being less than 3 miles from Exit 23 on I-81 and just a short drive to Yoder's Country Market.

Inside, you'll find original hardwood floors, a flexible bonus space with potential for an additional bathroom, and a full basement offering extra storage or expansion possibilities. The home offers a solid foundation and plenty of character, needing updates but giving buyers a great chance to make it their own.

Major improvements are already underway, including a new HVAC system, update 200 amp electrical panel and a newer metal roof, adding value and peace of mind. Inspections have also been completed with positive results: the septic system was inspected, pumped, and repaired a break in line, the well water tested and passed, and radon levels were found to be very low.

The property has been surveyed into two lots, creating additional opportunity for a future homesite, resale potential, or multi-generational living. The additional lot also features no deed restrictions against mobile homes, opening even more flexibility.

With space for gardens, animals, outdoor living, or simply enjoying East Tennessee's quiet setting, this property delivers a strong mix of location, potential, and usability.
