Description

Located in Warrior Falls, this 4 bedroom, 3.5 bath home offers 3,648 square feet of well-designed living space on approximately 0.4 acres. Conveniently positioned near Warriors Path State Park, the property provides easy access to outdoor recreation including lake activities, golf, horseback riding, and more, while remaining just 5.7 miles from Tri-Cities

Regional Airport.

The interior features hardwood flooring beneath updated LV flooring, along with spacious rooms and an open floor plan that supports both everyday living and entertaining. The kitchen has been updated with granite countertops, backsplash, sink, and stainless appliances including a gas range, microwave, dishwasher, and garbage disposal. The main level continues to flow naturally into the living areas and out to the rear of the home, with updated gas logs in the living room adding to the overall comfort and functionality.

The primary suite includes an updated bath with a newer shower and vanity, offering a refreshed and functional space. Additional improvements throughout the home include updated entry doors at both the front and back, new garage doors and openers, and a replaced hot water heater in 2018. The roof was replaced approximately 7 years ago, contributing to the overall condition and maintenance of the property.

The exterior is defined by professionally maintained landscaping and thoughtfully designed hardscape elements. A cascading rock waterfall feature adds both visual interest and natural sound, creating a relaxing outdoor setting. The covered and screened back patio provides usable space throughout the year. Additional exterior updates include a newer driveway, irrigation system, updated outdoor lighting, and motion-activated security lighting positioned around the home. An invisible fence system is also in place and will remain.

Situated within an established neighborhood, the property offers a balance of privacy and accessibility to shopping, dining, and regional amenities.
