Description

Perched above Norris Lake in the gated Woodlake golf community, this private 1.1-acre homesite offers elevated terrain, golf course views, and a level of privacy that's increasingly hard to find. Positioned above surrounding properties, the lot provides strong potential for long-range views, while an adjacent unbuildable parcel helps preserve the setting over time. Dual road frontage on Putters Peak and Woodlake Blvd adds flexibility for access and future home placement.

Woodlake is a well-established golf and lake community centered around an 18-hole championship course, with amenities including a clubhouse, pool, tennis courts, private docks, and boat launch access. Norris Lake is known for its clear water, boating, and fishing, making it a consistent draw for second-home and vacation buyers.

The property offers a balance of seclusion and accessibility, with convenient access to Claiborne County Airport for private and regional travel. Utilities are available at the road, providing a clear path to building.

For additional details on the community and amenities, visit woodlakegolf.com.

An excellent opportunity for a private retreat, second home, or long-term investment in one of East Tennessee's most desirable lake and golf communities.
