Description

Spacious, three bedrooms, two and a half baths, contemporary styled home on a three +/- acre lot! Paved driveway and attached two car garage. The house offers a dining room and small living room/parlor (now used as a library), two master suites, with the first-floor master room connected by a shared bathroom to an adjoining room that could be used as an office, nursery, or bedroom. There is a half-bath with pocket doors and is accessed from the first-floor hallway. A jack and jill bathroom serves the first-floor bedrooms and offers a sunken tub and shower. The second upstairs master bedroom is currently being used as a home theater. This home utilizes granite, tile, wood, carpet, and laminate. A double oven, cooktop, large refrigerator accessorizes the kitchen. The home features a den with stone fireplace and wood stove insert, a screened porch and a large open deck overlooking rolling lawn and fenced lot. The gas furnace/central air was added in 2014, the gas tankless water heater in 2016, gutters in 2018, composite decking added in 2024, and new roof in 2026.
