Description

Absolute charm. This well-maintained home, built in 1969, offers three bedrooms and two and a half baths with a layout that feels both practical and inviting.

Beautiful oak flooring runs through most of the main level, complemented by original tile in the bathrooms and original cabinetry in the kitchen. The kitchen also features updated laminate flooring, blending function with the home's original character.

The living room is spacious and filled with natural light, anchored by a fireplace that adds warmth and comfort.

The lower level provides excellent flexibility, with a full bath, a second kitchen, and a large living area, all finished with new laminate flooring. An additional bonus room offers potential for a home office, guest space, or even a short-term rental setup, especially with its own separate exterior entrance. The property also benefits from two driveways.

The exterior is brick, with a recently installed roof, complete rewiring, and a newer heat pump, offering peace of mind for the next owner.

Out back, a spacious patio creates a natural extension of the living space, ideal for relaxing or entertaining. The yard provides a sense of privacy in a well-established, charming neighborhood, all while being conveniently located near everyday amenities.
