Description

This is more than a home--it's a lifestyle. The main level offers true one-level living with no-step entry. Pass the tranquil fountain and stone landscaping before entering the stunning, fully renovated kitchen. Designed for both beauty and

function, it features custom 16-inch-deep cabinetry, quartz countertops, a seamless backsplash, hidden LED lighting, premium appliances, under-cabinet electrical, and exceptional storage. The adjoining dining area flows into a warm, inviting living room where a wood-burning fireplace, brick accent wall, and four expansive glass panels for the views.

Septic has been pumped and inspected in 2026 and a new 2026 Heat Pump was installed in September.

The spacious main-level primary suite includes a walk-in closet, double vanity, and convenient main-level laundry. Every update was thoughtfully chosen for easy living and low maintenance, allowing more time to enjoy the lake.

Upstairs you'll find two additional bedrooms, a full bath, a large walk-in closet, and a flexible office or hobby space. The upper deck offers another peaceful place to enjoy panoramic lake views.

The lower level features a fully equipped private living suite with both interior and exterior access, including a kitchen, bedroom, full bath, laundry, living room, and wood-burning fireplace. Perfect for multigenerational living, guests, or potential rental income.

Additional features include 400-amp electrical service, an 80-gallon water heater, and a low-maintenance metal roof. Outdoors, over 1,200 square feet of freshly stained decking, custom railings, a gazebo, fountain, extensive stone landscaping, and a horseshoe pit create exceptional outdoor living spaces.

Need room for all your toys? The property includes an RV site with 50-amp service, water, and sewer hookups, ideal for personal use or potential rental income.

The garage space is truly exceptional. A detached two-car garage with upper-level storage or flex space is complemented by an impressive 1,400+ square foot four-bay garage with extensive electrical service and an oversized bay. Whether you need boat storage, indoor RV parking, a workshop, hobby space, vehicle storage, or room for a home-based business, this property delivers.

Adding even more value, the property may offer multiple income opportunities, including the lower-level apartment, RV site, and garage or storage space.

Located in A-1 zoning, the property allows a variety of uses.

South Holston Lake views. Steps from Painter Creek Marina and the public boat launch. One-level living. Two kitchens. Private lower-level suite. Six garage spaces. RV hookups. Potential rental income. Low county taxes. Public utilities.

Properties that combine lake lifestyle, exceptional storage, flexible living spaces, and income potential are incredibly rare.
