Description

THE ONE. THE ONLY. THE ICONIC.

Stop. Breathe. Look at this. We are in one of the premier neighborhoods of the Tri Cities and for the first time ever this absolute masterpiece is hitting the market. This isn't just a house; it is a legacy.

Owned by one family and maintained with a level of precision that would make a diamond cutter blush, this home is ready for its next chapter. We're talking nearly 3300 square feet of pure, unadulterated excellence. You want space? You've got it. You want style? It's baked into the DNA.

Walk in and feel the quality immediately. Hardwoods that shine, layers of crown molding that add that wow factor to every room, and granite countertops that scream luxury. The split bedroom design gives you the privacy you crave while the main level sunroom is where you'll spend every morning sipping espresso and planning your world takeover.

Downstairs is a total game changer with a massive family room that doubles as a full mother in law suite. We are talking a fourth bedroom, a full living area, a full bath, and separate access. Whether it's for the extended family or the ultimate guest wing, this is how you live large.

Now let's go outside because this is where the magic happens. A custom heated pool surrounded by a stunning wrought iron fence. We are throwing all the equipment in, including the maintenance gear. It is turn key. It is summer ready. It is yours.

Beyond the beauty, the function is unmatched with a 30 year basement waterproofing system, passive radon mitigation, and pre-wiring for security. This is immaculate, one owner perfection in the heart of East Tennessee.
