Description

This is a beautiful tract of land which hasn't been logged for more than 30 years. A part of the front portion of the property is cleared and has been used for hay for many years. This part of the property is considered "bottomland". It has a naturally running spring/creek on the property that never runs dry, which is located right at the point that the cleared land

and the wooded land meet. The property is a short 7 mile drive (approx. 9 min.) drive to the Tri-Ciities Airport (TRI). The neighborhood appears to be very quiet and appears to consists of seveal large high-end homes. Come and build your dream home. With the exception of the property that has more than 934 feet of road frontage, the property is totally enclosed by a barbed wired fence, making it easy to find the property's boundary lines. The property is Information in this listing may have been obtained from a third party and/or tax records and must be verified before assuming acccuracy. Buyer(s) to verify all information.
