Tucked away in a peaceful, storybook setting, this one-of-a-kind custom brick cabin offers the perfect balance of rustic luxury and modern comfort on 83+ breathtaking acres in the heart of East Tennessee. Surrounded by forest, wildlife, and endless natural beauty, this remarkable property is ideal as a private retreat, hunting property, or recreational paradise.

As you travel down the scenic driveway, you're welcomed by impressive custom brick entrance features that create a memorable first impression. A large parking area provides plenty of room for guests, trailers, UTVs, and outdoor equipment--setting the stage for adventure from the moment you arrive. Inside the cabin, warm custom craftsmanship takes center stage.

Gleaming luxury plank flooring and rich tongue-and-groove wood walls create an inviting atmosphere filled with rustic character and charm. The thoughtfully designed kitchen features stainless steel appliances, beautiful leathered granite countertops, and efficient use of space that blends style and functionality perfectly. Even better, the furniture conveys with the property, allowing for an effortless move-in-ready experience.

The spacious bedroom offers a cozy and relaxing retreat and is conveniently located beside a beautifully appointed full bathroom with spa-like appeal. An all-in-one washer and dryer unit is also included for added convenience.

Step outside and experience true Tennessee tranquility from the expansive covered front porch--perfect for morning coffee, evening sunsets, or simply enjoying the peaceful sounds of nature. Outdoor entertaining is unforgettable with the massive stone fireplace anchoring a beautifully designed gathering space. The custom flagstone patio and oversized stone steps create a rustic yet refined ambiance ideal for hosting family and friends under the stars.

The land itself is truly exceptional. Miles of established roads and trails wind throughout the property, making it perfect for UTV riding, hiking, horseback riding, hunting, or simply exploring your own private wilderness. Wildlife is abundant, and the privacy is unmatched.

Recent improvements include extensive road grading and gravel installation, land leveling for future expansion, removal of dilapidated equipment, and installation of gutters on the cabin.
