Description

Custom-built brick ranch with basement offering space, comfort, and timeless craftsmanship on two lots. This 3-bedroom, 3.5 bath home also features a dedicated office and an inviting floor plan designed for both everyday living and

entertaining. The large living room with custom draperies showcases a beautiful stone fireplace. The formal dining room opens to an exceptional marble patio through French doors, complete with its own fireplace and built-in grill, overlooking the backyard. The eat-in kitchen features solid wood cabinetry, built-ins, and all kitchen appliances remain. The lower level offers a spacious den with built-in shelving, a fireplace, and a bar area, creating the perfect gathering space. A workshop in the basement provides additional flexibility for hobbies or storage. Enjoy outdoor living from the wrap-around deck and appreciate the convenience of garages on each level, two driveways, and a detached two-story storage building. With three fireplaces, custom built-ins throughout, and quality construction, this one-of-a-kind property combines character, functionality, and exceptional space both inside and out.
