Description

Welcome to 317 Chestnut Grove Church Rd -- a well-maintained split-level home tucked into a private, wooded setting with sweeping pastoral views and a backyard built for outdoor living. Perched at the top of a long paved driveway with additional parking pad, this home greets you with a classic brick and vinyl exterior, mature trees, and manicured landscaping with stone border accents. Inside, the open main level features vaulted ceilings and hardwood floors throughout the living, dining, and kitchen areas. The living room is anchored by a gas fireplace with a white wood mantel, ceiling fan, and large windows that frame gorgeous views of rolling green fields and wooded hillsides. The layout flows seamlessly into the dining area with easy access out to the rear deck. The kitchen offers abundant wood cabinetry, stainless steel appliances, and a peninsula with bar seating that keeps the space open and connected to the living areas. Kitchen appliances remain. The main level hosts three bedrooms including the primary suite, which features a private en suite bath with a shower/tub combo and double vanity. A second full bath on this level has been updated with fresh flooring. All bedrooms feature comfortable carpet. The lower level adds significant living space with a large rec/family room, a wet bar, a fourth bedroom, and a full bath with a soaking tub. The drive-under two-car garage provides convenient parking and additional storage. The outdoor spaces are where this home truly shines. A new rear deck with cable railings overlooks a beautifully terraced backyard with multiple stone retaining walls and a gravel patio featuring a custom timber pergola with hanging chairs, Adirondack seating, and a stone fire pit strung with bistro lights. A newly built board-and-batten storage shed sits tucked into the upper terrace, finished with white double doors, a cedar-trimmed roofline, and its own small landing -- a sharp addition that's as good-looking as it is functional. The spacious .47-acre lot offers plenty of room to roam, and the long-range views of open farmland and Tennessee hillsides make this outdoor setting hard to beat. New roof 2026. This one won't last long so call an agent today for a showing. Buyer's and buyer's agent to verify all information
