Description

TWO FOR ONE SPECIAL!!! This historic property in Norton offers TWO move-in ready houses! Both houses feature three-year-old metal roofs, and three-year-old windows. The bottom floor of the main house used to serve as a storefront, and includes two bedrooms, a full bathroom, a spacious kitchen, homey living room, updated laundry room, and walk-in pantry. The upper floor features a second living room, another full bathroom, and three more bedrooms, in addition to a retro-style foyer. The attic has yet ANOTHER bedroom, and a storage room that can be used as a workshop, or converted into a sixth bedroom, if needed. The second house is completely modernized, and features two bedrooms, a kitchen, and a bathroom, all in an efficient 750 square feet. It also has a two-car garage underneath it. There are SO many ways you could use this property: live in the bigger house and rent out the smaller one...live in the smaller house and rent out the bigger one...install a kitchen on the second floor of the bigger house and turn the property into THREE separate rentals...apply for a zoning variance and reopen the storefront...the possibilities truly are endless! This is a one-of-a-kind property, and it only needs its new owner to unlock all of its potential! Call your favorite REALTOR to schedule your showing today!
