Description

Magnificent, Impressive and One Of A Kind can only begin to describe this custom-built log home. Built with hand hewn logs, some of which measure over 24 inches in diameter. The privacy of this home is unsurpassed!! Surrounded by nature, this home offers many outdoor setting areas in which you can relax and watch nature passing by. It also has a cozy outdoor fireplace and firepit. Upon entering this home you will be welcomed into the two-story entrance offering lots of space and one of 7 stone fireplaces. The first floor alone boast of over 3396 sq. ft. of living area which contains the great room with a fireplace, den with a fireplace and dining room with an amazing fireplace. Also on the main floor is a large open kitchen with newer appliances, second dining area, office and the oversized Primary suite with the fourth fireplace. But there is more!!! In the Primary suite bathroom area, you can enjoy the fifth fireplace and huge custom walk-in closet and laundry area. Second floor offers four very roomy bedroom suits, each with their own private baths and wonderful views. The lower-level of this home is amazing, with a newly completed huge wine cellar and tasting room. Also, in the lower level you will find two additional bedroom suits, bar, entertainment space and a complete home theatre with room for everyone!! A roomy garage of 625 sq feet is located on the lower level. Main level offers a portico with space for multiple vehicles to park. Some of the wood that was used in this home for decorating purposes came from an old barn built in the 1800's. This home is in a private gated community.
