electrical, plumbing - including septic system, and all built in appliances and its transferrable!

This oasis at the edge of Lake Cherokee provides you with relaxation and enjoyment of the lake year-round! Your TVA-permitted private dock extends 94 feet from shore to main channel deep water and is fully useable with no concern for low lake levels! Other listings likely have a dock that is in the water only with normal summer pool levels and at other times of year they are left to simply view the lake!

This is a rare opportunity to enjoy your very own slice of heaven on beautiful Cherokee Lake located directly on highly sought after year-round deep main channel lake frontage with over 360 feet of private shoreline in a secluded gated community.

Ideally suited for hosting guests to share in celebrating life on the lake, with upper and lower parking areas having ample parking, with a large 1400 sqft wrap-around deck and 800 sqft covered patio for outdoor entertaining located just steps to the water's edge! Your private dock can accommodate several watercrafts, with guests putting their boat or PWC in at the Chelaque community boat ramp. Enjoy relaxing conversations sitting around a campfire at the top of the knoll with a scenic overlook.

This rustic cabin-style retreat on the lake features timber-framed construction, with energy efficient structural insulated wall panels and a geothermal HVAC unit. There is hardwood flooring throughout the upper level. The upper master bedroom suite has a fireplace for cozy winter evenings, and master bath with jacuzzi tub. Th bedroom opens onto the deck overlooking the lake with beautiful morning sunrises. The kitchen offers ample storage with abundant cabinetry, a pantry, and granite countertops. The living room has picturesque lake views and vaulted wooden ceilings, with a centerpiece stone fire-place. The loft area above is perfect as an office space. Two additional rooms upper provide exceptional space and flexibility for guest use.

The lower level is solidly built with the foundation using 12" block and 10ft ceilings, a lower master bedroom suite opening onto the covered patio, with a private bathroom and large jetted soaking tub. The lower level also includes a large family or game room, an air-conditioned single-car garage, and attached climate-controlled storage room.

Outdoor amenities include a unique koi pond at the water's edge fed by a flowing artesian well, a gardener/landscaper building/playhouse with loft storage and its own porch, a covered grill, and relaxing campfire areas.

You will be hard pressed to find a more desirable lakefront home closer to the lake, with beautiful views from every vantage point on a 1.17 acre private lakefront knoll and - most importantly - truly useable lakefront with a private covered dock that is in deep water year-round!
