Description

Tucked beneath sweeping mountain views in the heart of Greene County, this 2023 manufactured home on permanent foundation offers the kind of versatile, move-in-ready setup that's nearly impossible to find at any price. With 3 bedrooms,

2 bathrooms, and approximately 1,404 sq ft of living space, the home is bright, well-maintained, and built to current standards -- no projects, no waiting.

Set on 2 agriculturally zoned acres, the property is fully fenced and ready for gardens, livestock, chickens, or whatever your rural vision calls for. The infrastructure here is the real story. A massive 2,000 sq ft Quonset-style outbuilding anchors the property, offering space for equipment, a workshop, storage, or a home-based business. A detached garage and additional shed round out the outbuildings. RV hookups with utilities are already in place -- perfect for guests, extended family, or income potential.

Location checks every box for those seeking a quieter pace without sacrificing convenience. Greeneville's shops, dining, and medical are just minutes away. Asheville is an easy drive for culture, dining, and the airport. Hot Springs, NC -- a favorite for outdoor enthusiasts -- is close enough for a day trip.

Whether you're a homesteader, hobbyist, remote worker, or investor, this property delivers flexibility that's hard to come by. Agricultural zoning, multiple outbuildings, RV hookups, and stunning Blue Ridge views -- all on a 2023 home. Properties like this don't last.
