Description

New construction in Chestnut Cove... complete with convenience, community and a countryside setting! Situated on almost 1/2 acre, this 5 bedroom home offers versatile space both upstairs and downstairs. Featuring main level living with the primary bedroom, two additional bedrooms / two full bathrooms, a formal dining room and breakfast nook, living room with fireplace and a large laundry room...you'll have all you need on the main level. You'll find His and Hers closets off of the spacious and vaulted primary bedroom - all connecting to the laundry room for added convenience. Upstairs also offers versatility for whatever your family's needs might be. Showcasing a large room with walk in closet that could be used as an office, bedroom, or secondary den / game room. Additionally, the upstairs level houses a full bathroom, another bedroom and over 600 sqft of unfinished space that has been designed and constructed to allow for the space to be finished at a later date, if desired. HVAC has been sized to accommodate this additional finished sqft upstairs.

Other notable features include: Open Cell Spray Foam Wall insulation throughout, solid concrete filled foundation walls, oversized garage (18' wide door), professionally encapsulated crawl space, ample storage, dual fuel KitchenAid oven (gas cooktop and electric oven), gas heat downstairs / electric heat upstairs.
