Description

Price Improved! Very Motivated Seller. This unique home offers two kitchens and separate living spaces, making it ideal for multi-generational living, extended family, guests, or potential rental opportunities. With 4 bedrooms, 4 bathrooms,

updated kitchens and baths, and a newer metal roof, this home provides flexibility that is hard to find in today's market.

The main level features an updated kitchen, updated bathrooms, and three spacious bedrooms, including two primary suites, each with its own private bathroom. One of the primary suites also includes a dedicated office or sitting area, creating the perfect work-from-home space or private retreat.

Downstairs, you'll find a completely separate living area featuring a large bedroom, full kitchen, living room, dining area, and additional living space--ideal for extended family, guests, a teen suite, or potential rental opportunities.

Situated on a beautiful lot with mature trees and great curb appeal, this home offers the space, functionality, and updates today's buyers are looking for. The unique floor plan provides endless possibilities and must be seen in person to truly appreciate all it has to offer. Also has a newer metal roof only 2 years old. 5 minutes from Johnson City Medical Center.
