Description

Escape to the peaceful countryside of East Tennessee with this unique underground home nestled on approximately 40.74 acres in scenic Hawkins County. Surrounded by mature hardwoods and offering exceptional privacy, this one-of-a-kind property features over 1,000 square feet of living space. It was formerly a 2 bedroom, 1 bath home that has been

completely opened up so the next owner can choose their own floor plan. Approximately 6 acres of pasture or cropland provide opportunities for farming, livestock, or gardening, while the remaining acreage offers abundant wildlife, hiking, and recreational enjoyment.
Designed for energy efficiency and year-round comfort, the underground home includes a welcoming front porch where you can relax and enjoy the tranquil mountain setting. A barn and an old farmhouse add character and potential for storage, workshops, or future projects. The property also includes additional acreage across the road with a small branch and fertile bottom land.
