Description

Discover the possibilities with this unique 6+ acre property in Pennington Gap, offering privacy, multiple potential homesites, and valuable existing infrastructure. The property features a charming 2-bedroom, 1-bath farmhouse with original hardwood floors, a spacious front yard, and access to well water, a cistern, and public water. The current owner connected the home to public water and installed a new electrical service pole with 200-amp service in the backyard, providing an excellent foundation for future improvements or expansion.

Just steps from the farmhouse is a large two-story barn offering abundant storage space, workshop potential, and a sizable second-floor loft area. The home also has additional space in the basement area.

A separate 1-bedroom cabin located at 4400 Big Hill Road sits near the edge of the property and includes water, electricity, septic, and spring water access. This home is in bad condition but could be utilized for another structure.

There is also a cleared, elevated section near the top of the property, creating an ideal future homesite with scenic mountain views and exceptional privacy. Whether you're looking for a family compound, investment opportunity, homestead, or private retreat, this property offers incredible potential.

Conveniently located approximately 2 miles from downtown Pennington Gap, you'll enjoy easy access to shopping, dining, community events, the historic Lee Theatre, Lee Regional Medical Center, and Walmart. Outdoor enthusiasts will appreciate being just a 30-40 minute drive from Cumberland Gap National Historical Park and the shopping and amenities of Middlesboro, Kentucky.
