Description

Craftsman Charm with Modern Updates - Move-In Ready! Some pictures have been virtually staged to give you ideas. Welcome to your dream home, where timeless Craftsman character meets modern comfort and convenience. This beautifully updated 2,960 sq. ft. home has undergone extensive renovations, with major improvements already completed so you can simply move in and enjoy. Recent upgrades include a new roof, electrical panel and service, HVAC return, hot water heater, tile shower, kitchen cabinets, granite countertops, stove, microwave, washer, dryer, toilets, blinds, lighting and fixtures, LVP flooring in select areas, and original hardwood floors in others. The spacious primary bedroom has been redesigned with new floor trusses, and a 240 sq. ft. bonus room has been added in the attic, complete with its own portable A/C unit. Accessibility and comfort were thoughtfully considered throughout the home, beginning with the ramp leading to the covered front porch that stretches across the front of the house--an ideal place to relax and enjoy the porch swing. Inside, you'll find a spacious living room featuring a cozy gas fireplace and abundant natural light from numerous windows. An elegant arched doorway leads into the large dining room and updated kitchen, showcasing new cabinetry, granite countertops, and modern appliances. Just off the kitchen is the laundry room with new washer and dryer included. The home offers three bedrooms, including a generously sized primary suite with wood burning enclosed fireplace with blowers and a private bath, walk-in closet, and double doors leading to a beautiful marble back deck. The unfinished basement provides exceptional storage space, built-in shelving, and a workshop area. Outside, the 1.31-acre lot offers plenty of room for gardening, pets, recreation, or simply enjoying the outdoors. A wooded area behind the home provides added privacy, while French drains have been installed across the back of the property and gutter drains have been rerouted to the side of the home for improved drainage. Additional features include two carports and a convenient circular driveway for easy access and ample parking. Ideally located near schools, grocery stores, shopping, downtown amenities, and just minutes from Andrew Johnson Highway (11-E), this move-in-ready property offers the perfect combination of space, comfort, accessibility, and convenience. Don't miss this opportunity to own a beautifully updated home on 1.31 acres with room to live, work, and play! SEE VIRTUAL TOUR! Some photos have been virtually staged.
