Description

Back on the market at no fault of the seller. Welcome to this beautifully crafted new construction one level steel-framed home, built by Promise Land Construction designed for long-term durability, energy efficiency, and low-maintenance living. Unlike traditional wood-framed construction, this home features a steel structural frame that offers exceptional strength, dimensional stability, and resistance to termites, and rot. Step inside to discover an open-concept floor plan with modern finishes throughout, including luxury vinyl plank flooring, Soft close hard wood cabinets, granite countertops, stainless steel appliances, and energy-efficient windows. The spacious living area flows seamlessly into the kitchen and dining space, creating the perfect setting for entertaining or everyday living. The thoughtfully designed layout offers comfortable bedrooms and all living space on one level. The walk out crawl space offers opportunities for storage. Outside, enjoy low-maintenance exterior finishes and a newly constructed driveway, all complemented by quality craftsmanship and attention to detail. Whether you're a first-time homebuyer or downsizing, this steel-framed home provides the perfect combination of strength, efficiency, and modern style. Built to stand the test of time.
