Move-In Ready Ranch with drive under garage and partially finished basement in Peaceful Mount Carmel Neighborhood -
- Thoughtfully Updated Throughout

Tucked into a quiet subdivision in Mount Carmel, this well-maintained ranch-style home checks all the boxes for buyers seeking comfort, convenience, and a long list of recent upgrades, with easy access to Kingsport and all the amenities the Tri-Cities region has to offer. Plus, with the roof and water heater replaced in 2022, and HVAC in 2019, you can rest easy about those "big ticket" items.

The main level features three bedrooms and two full baths with an easy, open flow. Fresh paint throughout gives the entire home a clean, bright feel, and new carpet and updated light fixtures add a polished finishing touch in every room. All three bedrooms have been fitted with upgraded closet systems, maximizing storage and organization from day one.

The partially finished basement offers flexible space for a home office, recreation room, or gym, and the two-car drive-under garage adds convenient, weather-protected parking and extra storage. It has also been plumbed so that a 3rd bathroom could be added if desired!

Step outside to the extended back deck, a great spot for morning coffee, weekend grilling, or simply enjoying the peaceful surroundings of this established neighborhood. Ceiling fans have been added in all bedrooms for year-round comfort, and the laundry area has been upgraded with a custom storage system that makes everyday routines a little easier.

Located just minutes from Kingsport with quick access to shopping, dining, and healthcare, this home delivers small-town tranquility without sacrificing convenience.

Recent updates include: 2026: extended deck · fresh paint throughout · new carpet · new light fixtures · upgraded closet systems in all bedrooms & laundry · ceiling fans in all bedrooms
2022: roof and water heater
2019: HVAC
