Description

Some houses are simply where you live. Others become the place everyone wants to be. This home is one of those places. Set on over half an acre in a quiet Sullivan County neighborhood, it offers a single-level layout with 3 bedrooms, a cozy living room centered around a gas fireplace, and a kitchen ready for everyday life.

Outside, there's plenty of room to spread out. Enjoy covered porch sitting, a large deck for cookouts or quiet mornings, and a fenced yard for the kids, pets, or just peace of mind. You'll also find a storage shed and gentle mountain views in a setting that feels like country living, even though the city isn't far.

Practical features are in place too: a newer roof, central heat and air, public water, and easy access from Kingsport. Whether you're buying your first home, downsizing, or looking for value and space, this one delivers both, with room to spare.
