Description

Welcome home to 141 East Central Road in Bristol, Tennessee, where timeless charm meets modern peace of mind. From the moment you arrive, you'll notice the pride of ownership and the care that has gone into creating a home where memories are waiting to be made.

Offering more than 1,800 square feet of beautifully remodeled living space, this spacious brick home features 4 bedrooms, 3 full bathrooms, and the flexibility today's families are looking for. Every bedroom and bathroom is conveniently located on the main level, including an impressive in law suite with its own private entrance, making it ideal for multigenerational living, extended guests, or a private home office.

The heart of the home is the beautifully updated kitchen featuring quality finishes that flow seamlessly into the remodeled living areas with updated flooring throughout. The inviting main living room is centered around a beautiful fireplace with a wood burning stove insert, creating a warm and cozy gathering place for family and friends. Every space has been thoughtfully designed to create an atmosphere where family gatherings, holidays, and everyday moments feel special.

Step outside onto the back deck, the perfect place to enjoy your morning coffee, host family cookouts, or relax while overlooking the beautifully maintained, fully fenced backyard. Situated on a usable 0.36 acre lot, there's plenty of room for children, pets, gardening, or simply enjoying the outdoors. Even better, you'll appreciate the added savings of county only taxes while remaining just minutes from the conveniences of Bristol.

Downstairs, you'll find a large finished bonus room with a closet that could easily serve as a fifth bedroom, game room, home gym, media room, or private retreat. The walkout basement also offers more than 1,000 square feet of clean, dry, unfinished space, providing exceptional storage, workshop space, or future expansion opportunities.

What truly sets this home apart is the peace of mind that comes with knowing many of the major updates have already been completed. Recent improvements include a metal roof less than five years old, a new heat pump, a new hot water heater, updated plumbing, updated wiring, a new septic system, updated windows, and a well maintained structure. Simply move in and enjoy your new home without worrying about costly major repairs.

Additional features include a two car carport, an outbuilding for extra storage, and an outstanding location in a beautiful neighborhood just minutes from shopping, restaurants, schools, healthcare, and all the amenities Bristol has to offer.

Some houses simply provide shelter. This one provides a place to build a life. If you've been searching for a home where the major updates are already complete, where space is abundant, and where every detail invites you to settle in and stay awhile, 141 East Central Road is ready to welcome you home.
