Description

Enjoy the peace and privacy this charming 2-bedroom, 1-bath home has to offer. You will especially appreciate being just outside the city limit! No city taxes, that's a huge bonus. Situated on a spacious lot in a quiet country setting, the home sits nicely up off the road, providing both privacy and an attractive view from the covered front porch--the perfect place to enjoy your morning coffee or unwind at the end of the day. A carport as well!

Inside, you'll find a spacious living room and dining room combination that offers plenty of room for gathering with family and friends. The kitchen is equipped with a range and refrigerator and features ample cabinet space for storage and meal preparation. The laundry area is conveniently located in the bathroom, maximizing functionality. The durable metal roof was professionally re-coated in 2017 for added peace of mind.

The deep lot extends well beyond the home, offering abundant space for children, pets, gardening, or outdoor activities. There is also plenty of room to add a future garage, carport, or workshop to suit your needs.

Whether you're a first-time homebuyer, looking to downsize, or searching for an investment opportunity, this property offers comfort, value, and room to grow in a peaceful Elizabethton location.
