This beautifully remodeled brick ranch offers three bedrooms, three full baths and the convenience of one-level living with additional finished space on the lower level.

Step inside to a welcoming interior filled with custom touches. The updated kitchen features custom cabinetry, quartz countertops, modern fixtures and a comfortable eat-in design that flows easily into the home's living spaces. The cozy den is highlighted by custom built-ins and a gas fireplace, creating the perfect place to relax and unwind. Each bathroom has been beautifully updated, while the spacious primary bedroom offers hardwood flooring, custom built-ins and a tiled walk-in shower.
