Description

Escape to the quiet beauty of East Tennessee with this 22+ acre mountain homestead in Church Hill, located just 6 miles from Hwy 11W. Once used as a large deer and elk farm, this property offers the rare combination of fenced pasture,

wooded mountain land, flowing creek frontage, ponds, wildlife, trails, and practical farm infrastructure already in place.

The land is made up of 2 parcels with approximately 10 acres of fenced pasture, making it ideal for livestock, gardening, hunting, recreation, or simply building a more self-sufficient lifestyle. Two ponds, a small barn suitable for goats, a large chicken coop, ATV trails, and abundant wildlife create the perfect setting for those looking to homestead, hunt, or enjoy peaceful country living.

The home offers over 1,500 square feet with a comfortable split-bedroom floor plan. Inside, you'll find a bright living room overlooking the creek, a cozy den with a wood-burning fireplace, 2 guest bedrooms, a full bath, and a spacious primary suite with an en-suite bath featuring a double vanity and garden tub. The kitchen offers plenty of cabinet and counter space, along with a separate dining room for family meals after a full day outside.

The covered back deck and front porch with new metal roof invite you to slow down, listen to the creek, and take in the mountain setting. The property also includes a large detached garage with a full loft, offering excellent space for a workshop, storage, or potential future apartment conversion, plus an attached shed, metal carport, and additional parking.

For those dreaming of a more independent lifestyle, the home is serviced by spring water and septic. High-speed fiber internet is also available, offering the best of both worlds: rural freedom with modern connectivity.

Whether you're looking for a working homestead, hunting retreat, mini-farm, or peaceful East Tennessee mountain escape, this property is ready for its next chapter.
