Tucked into a quiet setting yet just minutes from everything you need, this beautifully maintained 2+ bedroom, 2 bath

hardiplank-style chalet offers the perfect balance of mountain seclusion and everyday convenience.

With the sounds of the creek and mother nature surrounding you, every day feels like you're on a nature retreat.

Step inside to a bright, open great room where very tall ceilings and abundant windows fill the space with natural light. The living and dining areas flow effortlessly into the kitchen, and sliding glass doors open onto a huge covered deck - ideal for morning coffee or evening relaxing. The main level is rounded out by a bedroom, full bath, and a laundry room.

Upstairs, an open spaced second bedroom and full bath share the floor with a versatile office nook, perfect for remote work or quiet reading.

The heated lower level adds even more flexible living space - currently used for storage and a workshop, but ready to become a third bedroom, game room, craft studio, or whatever fits your lifestyle.

Outside is where this property really shines: an expansive covered deck, a side porch overlooking an amazing creek, a fenced backyard, and three storage buildings for all your gear. The upper deck conveniently doubles as covered parking for up to two cars.
