Description

Welcome to your dream mini farm in Northeast TN where modern upgrades meet timeless farmhouse charm on nearly 15 picturesque acres. This fully renovated, early 1900s farmhouse seamlessly blends classic appeal with high-end modern

updates throughout. This exceptional home underwent an extensive, top-to-bottom renovation in 2024-2025, with every detail carefully considered to preserve its historical character while incorporating modern comfort. Step inside from the inviting covered front porch and be welcomed into a stunning living room where historic character meets modern design. A striking fireplace, handcrafted from reclaimed timber salvaged from the home itself, serves as a beautiful focal point, adding warmth and charm. Four oversized windows fill the space with abundant natural light, while the newly redesigned staircase creates an elegant architectural feature leading to the second level. The heart of the home is a stunning, upgraded kitchen with granite countertops, white modern cabinetry, spacious kitchen island, stainless steel appliances, and a tiled backsplash, all designed for both everyday living and effortless entertaining. From the kitchen leads to french doors that open to a sprawling covered patio made for grilling, gatherings, and those endless mountain sunsets. You will also find a walk in pantry, a laundry area, and another half bathroom on the main level as well. The spacious primary suite is highlighted by a stunning wood-plank ceiling that adds warmth and character. Complete with a generous walk-in closet, the suite also features a beautifully designed spa-inspired en-suite bathroom offering a relaxing soaking tub, a custom tiled walk-in shower, marble flooring, and modern finishes. The thoughtfully redesigned second level features raised ceilings that create an open feel, along with two spacious additional bedrooms and another full bathroom. The expansive acreage is primarily gently rolling, open pastureland, making it ideal for cattle, horses, farming, or a variety of agricultural pursuits. Boasting more than 1,000 feet of road frontage, the property also presents outstanding investment potential with the possibility of subdivision and multiple building sites offering beautiful views and endless possibilities. You will appreciate the property's beautiful spring-fed pond and the year-round creek that meanders along the rear of the land, creating a peaceful setting and enhancing the property's beauty and recreational appeal. Nature lovers will appreciate the abundance of wildlife that calls this property home, including deer, turkey, rabbits and a variety of other native species, creating a peaceful country setting. Despite its rural atmosphere, the property offers convenient access to Interstate 81 and is approximately one hour from Bristol, Knoxville, Gatlinburg, and Pigeon Forge, making it an ideal location for both everyday living and weekend adventures.
