Description

Escape to Your Own Private Retreat -- Special Offering!

Tucked away in a spectacularly beautiful, quiet and peaceful setting, this stunning 4-bedroom, 3-bath home truly has it all. Gather in the spacious country kitchen with its own dining area, featuring both a large pantry and a dedicated broom closet. Unwind in the spacious cathedral ceiling living room by the fireplace, and soak in the breathtaking views from every angle. A main-level bedroom and bath offer convenient one-level living, while three more bedrooms and a large

bath upstairs give everyone their own space.

Need even more room? You'll love the bonus efficiency apartment with its own private entrance -- perfect for guests, in-laws, or rental income. Head downstairs to a partial basement featuring a workshop, laundry, and full bath.

Step outside to your own slice of paradise: a detached garage with lighted workbenches and electric door opener; a large storage building accommodating mower, tiller, and lawn and garden equipment. For homesteaders there are two fenced garden plots, blueberry, blackberry, and yellow raspberry bushes, cherry trees, and mint, rosemary, and sage plants, along with an off grid well pump. And all of this with a beautiful lush lawn that stretches back to peaceful woods. Sip your morning coffee -- or unwind after a long day -- on the heated and cooled enclosed rear porch, rain or shine, hot or cold, with its beautiful views.

Then here's the best part: this property comes with an additional lot complete with its own septic and well -- endless possibilities for expansion, a second home, or simply more privacy.

Mechanical upgrades include a 3-year-old HVAC system, and new windows and roof in recent years, giving you extra peace of mind. Buyer to verify all information.
