Description

Some homes check boxes. This one changes the standard. This luxury estate where breathtaking mountain views, resort-style amenities, and total privacy come together to create one of Elizabethton's most impressive lifestyle properties.

Perfectly positioned in the heart of East Tennessee, this home delivers the rare combination of peaceful seclusion while still being minutes from schools, shopping, dining, and everyday conveniences. From the moment you enter the paved driveway, the property commands attention. The grand oversized staircase creates a dramatic first impression, setting the tone for the scale, craftsmanship, and luxury carried throughout the home. Built in 2014 and extensively updated, every space has been thoughtfully designed to feel elevated, modern, and unforgettable. The massive primary suite feels more like a private retreat than a bedroom, offering the kind of space and comfort rarely found in today's market. Expansive living areas, upscale finishes, and a flowing layout create the perfect balance of elegance and livability. The three-car garage adds convenience, while the overall design offers both sophistication and functionality for everyday living and entertaining alike. Step outside and the experience becomes next level. The backyard was designed to feel like your own private resort featuring an incredible in-ground pool, stunning mountain views in nearly every direction, a sand volleyball court, and a massive outbuilding with endless possibilities for storage, hobbies, toys, business equipment, or future expansion. Whether hosting unforgettable gatherings or enjoying quiet evenings overlooking the mountains, this property was built for a lifestyle most people only dream about. Unlike anything else on the market, this home delivers luxury without compromise: privacy without isolation, space without wasted design, and upscale living without sacrificing convenience. This isn't just another large home in East Tennessee. This is the property buyers remember long after every other showing ends.
