Description

The heart of the property is a newer commercial-grade metal building engineered for durability and low maintenance. It is designed to accommodate both heavy-duty utility and secure vehicle storage. Two-Bay garage section: Features two spacious, independent bays perfect for vehicle maintenance, workshop space, or commercial equipment storage. Mini-Apartment: a cozy, self-contained living area that maximizes space, complete with a private layout. Multi-use space for storage or commercial business use. All information deemed reliable but not guaranteed. Buyer and agent to verify.
