Description

Check out this home full of possibilities in the heart of Bristol! Currently configured as two separate living spaces by previous owners, this unique property offers exceptional flexibility for multi-generational living, rental potential, or an easy conversion back to a traditional single-family home.

One side features a comfortable living room, kitchen, bedroom, and full bath, while the other offers a living room, kitchen, full bath, bedroom, and an additional bedroom or home office. Because the home is not separately metered, it can be easily reconfigured into a 3-bedroom, 2-bath residence to suit your needs.

Inside, you'll find beautiful black walnut hardwood floors that add warmth and timeless character throughout much of the home. Outside, relax on the large screened-in porch looking into the thoughtfully landscaped yard, where you'll enjoy blooming sage, Angel Face roses, Pink Tiffany roses, rhododendrons, and vibrant oriental poppies when in season. A convenient carport and shared laundry area in the basement add to the home's functionality.

Location is everything, and this home delivers! Situated just a stone's throw from the Bristol Family YMCA and Tennessee Middle School, you'll also love being just a short walk to vibrant downtown Bristol, where local restaurants, shopping, entertainment, and community events await.

Whether you're searching for a flexible investment opportunity, space for extended family, or a charming home in an unbeatable location, this property is ready to fit your lifestyle.
