Welcome to 905 Denver Lane, offering over 3252 square feet of thoughtfully designed living space with 4 bedrooms, 3.5 bathrooms, two primary suites (one on the main level and one upstairs), and a huge bonus room that can easily serve as a media room, home office, playroom, gym, or additional living space.

One of the home's biggest advantages is already being taken care of for you - a brand-new 40-year roof is scheduled for installation, providing lasting value and peace of mind for years to come.

Outside, you'll enjoy a large fenced backyard, a desirable corner lot, and mature fruit trees and established landscaping that create a private setting with plenty of room to relax, entertain, garden, or let kids and pets play.
